## Fence Agreement

The property owner at \_\_\_\_\_ Independence, Iowa 50644, has requested to install a fence on the property line. This property is on the \_\_\_\_\_ (North, South, East, West) side of your property. According to the City Code, this requires your permission (§ IMC 152.03), as your property abuts the proposed fence location.

We approve of our neighbor installing the fence on the property line and understand that future maintenance of the fence may require temporary access by our neighbor or their contractor onto our property and that ownership of the fence will remain with the property owner installing the fence.

We hereby give permission for the placement of a fence on the property line:

Address: \_\_\_\_\_

Signature: \_\_\_\_\_

Printed name: \_\_\_\_\_

I acknowledge that I have talked with the neighbor above about locating a fence on the property line and that the fence will remain my property and my responsibility to maintain:
